

Seaplanes 101

This extremely informative workshop will provide attendees with a condensed ground school that will prepare them to begin their seaplane rating. The class covers the basics of flying boats, float planes and the knowledge and techniques one must learn to fly them.

Directions: Room D. Heritage Room.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
